

Member Program

Continuous Training Certified

What is it?

MCAS Continuous Training Certified is a program created to recognize MCAS Member Company's dedication to employee training. Member companies can receive a new certification sticker for each year that they qualify for the CTC Program.

How do you apply?

There are two forms available for Company applicants to fill out: an Enrollment Form and a Course Submission Form. The Enrollment Form is submitted to the MCAS office to request entry into the program. A Course Submission Form is submitted after each course taken, with all required documentation.

What is the criteria for the program?

Any company that applies for certification must meet the following criteria:

- ✓ Must be an MCAS Member
- ✓ Obtain 1 credit for each 4 employees
- ✓ A minimum of 1 in every 4 courses must be an MCAS course
- ✓ Documentation must be provided to qualify

What are the benefits of becoming certified?

You will receive a certification package which will include:

- ✓ Framed Certificate for display in your office
- ✓ Vehicle decals, up to 5 for each certified member, with additional available for a small fee
- ✓ Use of Continuous Training Certified logo on your website and other documentation
- ✓ Ad copy for use in your local newspaper
- ✓ Industry and Customer recognition as a leader in Continuous Training
